Dear Parents and Caregivers,

As we approach Easter, we are reminded that this is the most important time of the year within our church. It is the time that we remember that Jesus died for us and rose from the dead on the third day. This Lent the teachers have focused the children's attention on their journey in preparation for Easter. The children have focused on their relationship with Jesus and the importance of prayer within this relationship. I hope that you and your family have a peaceful and joyous Easter celebration and enjoy your time during the holidays with your children.

Yours in education,

Paul Devlin

Principal

Free mulch available

We have too much mulch at the school at the moment and would like to offer it free to anyone who would like to come and collect. All the mulch in the car park is available to take. This can be found on the smaller section of the car-park up the first ramp.

Year 5 Antarctic Igloo

This week saw the completion of the Year 5 igloo. After weeks of collecting milk containers and strategic planning our Antarctic igloo is finally complete.

The students have enjoyed the experience of building a life-sized igloo and although there were some set backs we were able to overcome these. As with any engineering project there were modifications that needed to be made, and with the help of 76 logical thinkers we were able to come up with another action plan and design.

The students were able to incorporate not only their scientific knowledge to show they were working scientifically and technologically, but also mathematically by calculating the diameter needed, quantities of bottles, sizes and shapes.

This science and technology unit has worked well along side our integrated unit of Antarctica and has made the research we have collected more visual and real.

A massive thank-you to the MIPS family and friends who have helped support us in making our design come to life.

Touch Footy Gala Day

Thank you to the wonderful parents who came along to support us, a special thanks to the following parents for managing the teams Natalie Trotnar, James Berry, Miranda Pitt, Karen Collins and Mrs Calafate. All teams played fabulously, had great team spirit and were very well behaved. Congratulations to all players for representing our school so well.

Winter Uniform - Term 2

The change over to winter uniform occurs at the start of term 2. If we have unseasonably warm weather at the start of next term, parents are welcome to dress their children in summer uniform until the start of week 3.

School Calendar

This term we have been trialling a new way of keeping parents informed of upcoming dates via the newsletter without the publication of a Term Calendar. After seeking feedback from a wide range number of parents, the school has decided to revert to the previous practice of publishing a Term Calendar. We will continue to place dates in the newsletter. We value parent participation at Mary Immaculate and are always seeking more effective ways of communication with the parent community.

Parliament and Civics Education Rebate (PACER)

Students from our school are undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

Easter Egg Raffle

Last Friday, the P&F held the Easter Egg Raffle. We had in excess of 110 prizes to be won courtesy of the generosity of the Mary Immaculate families. The money raised by this raffle will go towards the general fundraising projects for the Association which aids the school in many ways.

Thank you to all families who supported the raffle through egg donation and raffle ticket purchasing. A special THANK YOU to all members of the P&F who were central to the organisation of this event.

Please support the school by not sending food in your child's lunchbox to school that may contain nuts, nut products or egg. Thank you for your co-operation in this matter.
