Dear Parents and Caregivers,

Welcome back to school for Term 2. I hope that the Easter break has allowed your child to re-charge their batteries for the busy term ahead. This term many excursions are planned along with exciting new topics to focus the learning. This term, we also formally report on your child’s academic and social development and offer an opportunity to meet with the teacher at the Parent / Teacher Interviews. Other events include; First Eucharist, NAPLAN, Mother’s Day celebrations, P&F Disco and working bee along with a range of sporting events.

The school endeavours to communicate regularly and efficiently with all families throughout the year and I invite all members of the MIPS family to read all communications to remain well informed about the life of the school.

Yours in education,

Paul Devlin
Principal

**Winter Uniform - Term 2**

The change over to winter uniform starts today. If we have unseasonally warm weather at the start of this term, parents are welcome to dress their children in summer uniform until the start of week 3.

**Condolences**

Condolences are offered to Mrs Goodwill (Year 5 teacher and Leader of Learning) following the death of her Grandmother in the United Kingdom. Please keep her family in your thoughts and prayers at this difficult time.

**The Electronic Newsletter - Online**

Last term all families received a letter explaining that the school will be moving to an Online Newsletter. Please follow those instructions so that you can access the School Newsletter via your email on your phone, tablet, laptop or computer. The letter gave all families the option to continue to receive the newsletter in paper copy via the completion of a reply slip that needs to return to school. The last paper copy being sent to all families will occur in Week 2. The paper copy of the Week 3 newsletter will only be sent home to families who have requested a copy.

**School Calendar**

Today the school calendar for this term has been sent home to all families. Please refer to the most recent newsletter to confirm dates just in case there were changes after printing.

This Calendar is also available from the school website.

### Uninterrupted Learning Time
At Mary Immaculate, we always plan to have maximum learning time for our students. As a result we have “Uninterrupted Learning Time”. This is a focus for all in our community to help respect the time needed for our children to learn. As a result, we ask that:

- All students arrive by 8:55am every morning
- Early departures are kept to an absolute minimum
- No messages are sent to children during the day (messages sent through the office are kept till a suitable break in learning blocks)

Thank you for your assistance in this matter

---

### Anaphylactic students awareness
Parents are reminded that some of our children can have a severe anaphylactic reaction to various food products. This reaction can be life threatening. Please support the school by not sending food in your child’s lunchbox to school that may contain nuts, nut products or egg. Thank you for your co-operation in this matter.
