## Peer Support

In this week's final session of the Peer Support module *Promoting Harmony* the children will be creating a chatterbox, helping them reflect on what they have learned over the past 7 weeks. They will be reminded to reflect on their values and how they can demonstrate these to other people. Each Peer Support group will have the opportunity to celebrate what they have learned and the new friendships and connections they have made.

Dear Parents and Students,

Together, we are continuing to ensure that our school is a safe and supportive environment for all. Our school has a strong history of providing such an environment and of course we wish this to remain. To assist in this, we need to make something clear to everyone. Under the Inclosed Lands Protection Act, the principal has the authority and responsibility in making sure that safety on the school grounds is given the highest priority. There are implications that arise from this. We restate for you a most significant implication which must be observed: No visitor (including parents) has the right to reprimand or chastise another child under any circumstances either verbally or physically on school property. Visitors are required instead to seek the assistance of a member of staff. When visitors come onto school property, they must accept this as a condition of their presence there.

## Transition to Summer Uniform

Parents and students can choose whether to wear summer or winter uniform until the end of the term depending on the day's temperature.

## Library News

As third term comes to a close classes are still borrowing however, could we please ask students who have overdue books at home to please return them to the library as soon as possible. Thank you
