

## MARY IMMACULATE PRIMARY

~ NEWSLETTER ~

**Term 1 Week 2: Monday 5th February 2018**

### Welcome to MIPS 2018!

Our year together ahead looks to be another period of continued success in student learning and whole school improvement. This year the focus will be on our learning going even deeper. Deeper Learning will be a theme I will be returning to throughout the year.

By Deeper Learning I mean the capacity to not only have knowledge but to be able to apply and build on that knowledge by developing more complex and higher order skills. In Project Based Learning (PBL) we talk about learning at three levels – Surface, Deep and Transfer. To give you an example of that, let's think of Transport. There are basic knowledge elements about driving a vehicle – this is Surface Knowledge. For example, there is the surface knowledge such as the names of parts of the vehicle one needs to know and essential skills as well like using the steering wheel, turning the vehicle on and off. Being then able to use that knowledge to transport yourself and others to new places and expand on your own knowledge and experience – this is an example to Deep Knowledge. Using this Deep Knowledge to improve your job, recreation, quality of life, etc are also elements of Deep Knowledge. Applying what Surface and Deep Knowledge you then have of Transport to other things is Transfer Knowledge. This is the highest order of knowledge - bringing together and applying a range of knowledge in different areas to solve complex problems and create new knowledge.

This is a powerful model for learning. It recognizes learning at different levels and shows the necessity and interaction. This is a model that empowers all students to excel, to learn with passion and purpose. You will be hearing about how we are implementing this at school. You have already seen how we have introduced PBL, Goal Setting and Student Led Conferences. These high yield strategies support this powerful model for learning for every student. I am excited about our year together to come!

With appreciation for your continued support,

Stephen Dowd, Principal

Please update your phone(s) to the new number : **02 9933 7800**

## SCHOOL FEES 2018

Families will be receiving their School Fees statement shortly. These statements are sent from the Catholic Education Diocese of Parramatta (CEDP) outlining the 2018 school fees for your child(ren). Included in this first Tax Invoice are the Payment Plans families can adopt for their 2018 tuition fees.

Instructions will be included, should you wish to utilise the Direct Debit or BPay options.

**PLEASE NOTE:** Any outstanding amount in a family's school fee account **will not receive** the BPay or Direct Debit plans for 2018 fees. Please contact the school on 9933.7800 or via email: [cnalletamby@parra.catholic.edu.au](mailto:cnalletamby@parra.catholic.edu.au) if you wish to enquire about your account.

## ARRIVAL AT SCHOOL

**Supervision begins at 8:25am. Children should not be left at school before this time.**

A 'kiss and drop' zone operates in the morning if you do not wish to walk your child into school. Adults must stay in the car at all times if using the 'kiss and drop' zone. The children's bags must be in the car with them to ensure they can exit quickly. At no time can a car be left unattended in the 'kiss and drop' zone. If you wish to walk your child into school, please drive up the ramp to the car park. Children take their bags to the classroom and then must go straight to the playground for supervision. No one is to remain in the building before school unless they have made a formal appointment with a staff member. If this is the case, you must sign in at the office. Parents who come down onto the playground are asked to stand to the side and allow their child to socialise with the other children on the playground. The perimeter gates are locked each morning. The Barnier Drive main gate entrance remains open during the day.

## DEPARTURE FROM SCHOOL

**School finishes at 3:20pm and we appreciate your efforts to pick up your child promptly at that time.** Supervision ceases at 3:40pm. The 'kiss and drop' zone does not operate in the afternoon. Parents/caregivers are required to park in the top car park and collect children from the designated point outside the building. Please do not go into the building to collect children from classrooms. Please note, children are not allowed to walk to the car park and meet their parents. They must be collected from the teacher. The perimeter gates are closed after the last bus leaves in the afternoon. If there is an emergency and you are late to collect your child, please contact the school office. Children can become anxious when parents are late or they are unclear about their afternoon arrangements.

**Students arriving before 8:25am or remaining at school after 3:30pm are required to be enrolled in COSHC. Students are not to be left outside the school main gate unsupervised. This is a child protection issue of grave concern. To make arrangements with COSHC, phone: 0417 203 333.**

## CARPARK ETIQUETTE

Parents are reminded that all cars need to be parked in **Marked spaces only**. This allows for the safe passage of other cars through the car park whilst also maximising the safety of all pedestrians, including all children, at all times. Please respect other members of the community by using the car park in a safe and respectful manner.

## STUDENT BANKING - Every Friday

Student banking has commenced for 2018. Please send your child's Dollarmites book to the classroom teacher for processing this Friday.

## SPORTS UNIFORM DAYS

Please note the days your child is to wear full sports uniform to participate in RFF: Personal Development & Health (PDH), Physical Education (PE) & CAPA

## OPAL CARD FOR STUDENTS 2018

### Tap On and Tap Off

An important requirement of School Opal is the need for students to Tap On and Tap Off when they travel to and from school. Opal data gathered by tapping on and off is used to determine demand for bus services. If students don't Tap on and Tap off, services may be cancelled or reduced due to the lack of recorded patronage. With this in mind, we again ask for your assistance in reminding the students that tapping on and off at the beginning and end of each trip is one of the conditions of using a School Opal card. This in turn helps us ensure we are able to provide the appropriate level of service to the students. Busways will conduct boarding checks on School Opal cards over the coming months. Students without an Opal Card will be given a brochure to take home identifying how they can get an Opal Card.
