Dear Parents and Caregivers,

As we approach the end of the year, the staff are in full swing to prepare for the 2015 school year. These areas include; staffing, handover of student information, forming the 2015 classes and preparing for 'Meet the Teacher'.

School staffing is a vital and complex process that takes place after many conversations and hours of deliberation. It is the school plan to build teams of teachers that can work together in every year group while also providing enough diversity in that team.

Handover of student information takes place formally during the final weeks of the year to ensure that the learning profile of all our students is shared with the team of teachers for the coming year. Particular attention is paid to students with cognitive, social or emotional needs to ensure that the gains from this year are built on in coming years.

Classes for 2015 are formed by the current teams of teachers. It is our goal to form three balanced classes for all year groups. Friendships and social connections are taken into consideration along with the matching of the learning style of the student and the style of the teacher. If parents and caregivers have any information regarding this element of planning for 2015, they are asked to address their information to Mr Devlin as soon as possible.

'Meet the Teacher' is planned for Wednesday 10 December. This is a time where all students are promoted to their next class and get to spend some time with the 2015 teacher and class.

As you can see, there are many processes and considerations that we use when planning for the coming year to provide the best base for another successful year of learning for all our children at Mary Immaculate.

Yours in education,

Paul Devlin

Principal

### Garden Club

Year 4 children enjoyed cooking muffins. They picked their produce, spinach, from the vegetable garden and then prepared and cooked spinach muffins.

They then shared these with the class. Using fresh eggs, creamed cheese and feta cheese they combined this with the spinach to make a simple but healthy treat. Well done to all that have helped look after the garden.
